### **Promotion of Plug-In-Pv-Systems in the UK**

Dear Mr Shanks MP,  
to whom it may concern,

On June 6th 2025 we wrote to you concerning the attempt to legalize plug-in-pv systems in the UK.

Unfortunately we never received a reply or any kind of message back from you.

Maybe the letter has been lost in the digital aether, therefore I'll send it to you as physical mail in the hope to get an answer in the coming year.

I wish you the very best and good 2026.

sincerely

Sebastian Müller
